ABOUT US

Langside Church is an active and growing Christian community on the south side of Glasgow. We are an affirming church within the Church of Scotland. Our theology is open, inclusive and progressive, encouraging people to ask questions at all stages of life.

Our modern church building provides a valuable resource within the local community. Finn's Place, our well-being project operates here, and has been running for five years. Our work with children and families in both congregation and community has been developing during that time.

AIMS AND OBJECTIVES

There are two key areas of activity:

1. Within the church family

- a. Children's work – continuing to develop the coordination of progressive Christian teaching amongst children and young people associated with the church family through a vibrant children's programme that offers a fun, safe, learning environment for all.
- b. Families – developing relationships with and supporting families associated with the congregation.

2. Within the community

- a. Building on the existing positive relationships between Langside Church and the local community through development of regular activities which serve as points of contact with children, young people and families within the local area.
- b. Explore and research the needs of children, families and young people in the community and draw up a plan for developing activities/support based on this research.

The children and families worker will further develop and nurture a team of volunteers who will support the Children and Families ministry at Langside Church across all strands of the work.

This is a pilot project, building on the work of previous CFCWs, during which we hope that the postholder will help us to discover what the needs in the community are so that we can develop something that is particularly relevant to the community.

DUTIES AND RESPONSIBILITIES

- Co-ordinate Sunday Children's Group and oversight of programme, using appropriate curriculum that supports the inclusive and progressive approach of the church.
- Build on existing initiatives which seek to reach out and engage with children, young people and families, both inside and outside the church.
- Strengthen links and support new ventures with local schools and community groups.
- Investigate what types of activities and support children, families and young people in the community want/need;
- Complete a report for Langside Church as a result of this research.
- Develop meaningful future activities/support based on what is learned from this research.
- Foster the development of volunteers in ministry with children and young people.
